

Victims of Atomic Bomb among Relatives of Club Members

On August 6, 1945, the 1st atomic bomb was dropped in the city of Hiroshima and 119,000 persons (later changed to 140,000 persons) died. Three days later the 2nd atomic bomb was dropped in the city of Nagasaki causing 74,000 deaths. We all must remember this enormous tragedy and hope that atomic weapons will not be ever used again in the world. Many relatives of the Seattle Hiroshima Club members were victims as listed below:
